On this beautiful Sunday, I prayed to the Great Spirit while I placed my offering to you and Uncle Otis: Dear Lord, May your songs of the winds and clouds sweep the pain and sadness out of my family's hearts; and as they hear those songs on the shells when they visit, let them know the spirits who are with those songs are at peace and that their dreams of Aunt Jane & Uncle Otis will be caught in the dreamcatcher. My love to you all, your cousin, Debbi

Dearest Marie, Calvin & Family, Even though our faith tells us we should rejoice that your loved one is with God, it is still difficult for those left behind not to feel sad and lonely. Your kind and generous spirit, which blesses so many hearts, is a tribute to your mom and her influence on your life. Please know that the prayers of many are with you. Your loss is a great one, May His peace and the comfort of friends see you through this difficult time. In Sympathy, Love & Prayers, Nell Davis

Marie, Calvin, Janelle, & Charlie, My heart goes out to every one of you during this trying time. We all know how hard it is to lose someone so close to you, we learn to let them go but they will always be in our hearts. I didn't get to know Aunt Jane until the summer of '97, when my grandfather passed but she acted as if she knew us forever. She was always a funny lady, never held anything back. She was a "true" Thompson. :) I am sure she is up in heaven give all the Thompson boys a run for their money. She was a character. . I loved her smile, laugh & her attitude. My thoughts & Prayers are with you all, please let us know if we can lend a hand in any way. Love, Tiffany, Rob, Robert, & Morgan! \

I will forever hold onto the memories of my childhood, of my Daddy and my family going to visit his baby "Sis" and family, Of me coming back when I was an adult, when me you & Uncle Otis climbed up on the bed to go thru pictures for my family book. I so loved you both, Aunt Jane. You were in my dreams Monday night and now I know why. He spake well who said that graves are the footprints of angels. And those angels will always be near us, your loved ones, to whisper to them that You, Uncle Otis, Daddy, Uncle Jim, & Uncle Hugh are safe in the hand of God. Nana, you will always be in my heart. I Love you more than words can ever say. You were always such a big part of my life and I will never forget that. You were the best Grandmother anyone could ever ask for. I will never forget our weekend sleepovers and our morning breakfasts at McDonalds before school and many more things we did together, too many to list. I wish you didn't have to suffer like you did near the end but I'm glad I was able to be there for you like you were always there for me. The last thing you said to me was that you Loved me more than I would ever know and I will cherish that always. I miss you so much right now and I know that feeling will never go away but I look forward to seeing you again someday. Until then, you and Papa save some room in heaven for all of us here that love you so much. I can't wait to put my arms around both of you again and be able to tell you how much I Love you. Always & Forever, Janelle
