You will be missed dearly Uncle Billy. I know that I wish I could have spent more time with you, as well as so many others that we have left before you, and for that I have regrets. I know that your suffering is over, surrounded by departed loved ones and blanketed in the warmth and love of The Lord, and crazy Johnson's and that is what gives me solace. Rest in peace Uncle Billy, I will see you again someday. Until that day, you will forever be in my heart, my mind and my prayers. I love you.

Uncle Billy will be deeply missed. He suffered for many years and I know that he is my angel now. We were all very close to Billy and it will be hard without him and that smile of his. I know that he is with family and is in a better place now. There will not be a day that goes by that I will not think of him.
