Robin, Kim and Sabrina: Grandma was such a wonderful person and never forget the first time I meet her at Brock Road Elementary School. It was when I first lost my hearing and was helping Arlene Vanhorn with the Deaf and Hard of Hearing preschool class. She always had a smile on her face and I called her grandma to. Remember her bringing the kids to the Sign of Fun Camp. She learned sign language for Kim. Kim you were very special in Grandma life along with all the grand children. She will be missed and we all know she is sitting beside the Lord. In Sympathy Arva Priola

Robyn, I am so sorry to hear about your mom. She was a great lady and very funny. I always enjoyed her visits to Kentucky. On one of her trips when your mom and dad spent the night at my house she got up in the middle of the night to smoke and I had her locked inside the house. She laughed the next morning and said I have been locked out of the house but never inside. She will be greatly missed but her memories will always be with us. Take care. Glenda
