Jan, Candy, and John, I haven't seen but Candy in recent years, but I remember your mother as a wonderful, sweet spirit here on earth and now in heaven. She was my mother's first cousin (Jean Haught Gulley Curtis). I can remember as a child coming to your house and playing while my mother and your mother visited. I remember her calling my grandmother "Aunt Angie" and not really making the connection until after Grandma Gulley died (Angeline Haught Gulley). Over the years I don't think there was ever a time that I saw your mother that she wasn't happy and pleasant and always making the best of life's ups and downs. She will be missed by many. My prayers for your comfort and peace go up to the Lord Jesus Christ. May He keep you in his perfect peace. I'm sorry I could not make it to the funeral home or funeral, but my prayers were going up for you.Mary Ellen Curtis Hutchind

To the Judd Family, I met June years ago while working at the telephone company and went to school with Jan. Some of my fondest memories of June are those when we worked together. We all had such a good time working there. Your Mother and wife will most definitely be missed, and she will always have a place in my heart. Patricia (Shaw) Freeman
