hey dad, your memorial service was nice. friends and family were everywhere. I know you would not have wanted all the attention on you. you would not have wanted all the flowers and tears but just would have wanted to say its ok and not to make a big deal about it. I feel that you were watching rolling your eyes and bitching about all the fuss. love you and miss you but you will never leave my heart . Bob

Although we only got to meet Jim twice, both encounters left us impressed with his love for his family and his caring attitude toward others. He welcomed us into his home as though he had known us all along. We know that he will certainly be missed. Our prayers are for Mary, Heather, Matthew, and the rest of the family. May the Lord keep and comfort you during this time. The Ingo Family
