On September 3, 2013 I lost the first man I fell in love with. My Dad. To a loving and caring man who made me laugh with his unexpected jokes. Someone who loved my daughter, his only grand daughter unconditionally. I miss you so much already even though I know you are in a safe and loving place. I miss you and I think about you all the time. Even more I worry about mom who devoted her entire life to you and us. I want to make sure she is alright always. Love you much and miss you more always. Your loving daughter Debra.
