I have heard so many stories about Geneva for years from Donna. What a wonderful mother and person. She seemed like such a kind person to all even when she was in the nursing home. She must have been a great mother to have a wonderful daughter like Donna. Lynn McGunnigle

There are no words to express the love of this beautiful Geneva. When I moved into the Norman area, she and R. E. were my favorite cousin-in-laws- We visited each other and played many games of Canasta. She will be greatly missed by family and friends. I know she is at peace with her beloved R. E. My love to her family - Maude

Sorry to hear about Geneva. She was a good friend, co-worker, and a buddy to get out hair done every Thursday. I have such wonderful memories of Geneva. Love, Caroline

Geneva was always beautiful. I remember in my young years and getting off the school bus with Joan at Geneva's house. She was outside working on her flowers. She was dressed beautifully, hair and make up done and I thought she was dressed for Church. As the years passed on knowing Geneva, she was always dressed like this. When Adrian was little and she would see him, she would start toward him. He would close his eyes because he knew "neva" was going to pinch his chubby cheeks. And then they hugged and he was wearing lip prints on his cheek. I called Geneva one day and asked if she could come help me a couple of days at CCA. I don't remember how many years this turned out to be. We had a lot of fun together over those many years. Geneva was always an example of love, kindness and caring for other people. My thoughts and prayers are with you all in your loss. Ruth Updike
