Dear Carol & family -John was one of a kind... back in the 1980s when we were working at Pohoke and Portici sites at Manassas National Battlefield Park, we always looked forward to John's arrival. Whether he'd worked a full day already and was stopping in to spend some time "relaxing" digging with us or on Saturdays when most volunteers came to help, John would bring laughter and smiles all around.I'm sure he and Rich Richardson have already found some interesting research projects to start on in heaven... which will please my first husband Chris Keeney to no end as he'll get to help them with his frontend loader :)John made life a little brighter, a little funnier, and a whole lot more loving just by being my friend. I will truly miss him.My sincere condolences on your loss.Jackie Hernigle (Keeney) Cromwell

Aunt Carol, Tom, John, Aunt Millie, and Daddy, my deepest sympathies for such a great loss your loving husband, father, and brother. You shared so many years of wonderful memories and I know in time that will help sustain you and continue to hold him near and dear to you and in your hearts. Uncle John was an amazing man and he will live on through the beautiful memories we all shared. Whether it was "riding the little pony", hearing stories about his cases, antiquing purchases, civil war memorabilia, and the list goes on. Uncle John is so dearly missed with many broken hearts but that just shows what a wonderful man he was and always will be!! Uncle John I miss you and love you, you are truly an angel among us and I know you're watching over your family.Love you all,Diana

Carol, I was so sorry to hear of John's passing. We surely had some good times digging up Virginia. I was also lucky enough to work with John on a couple of GPR projects with Bill Hanna and Pete Petrone. John was always great to be around. We'll miss him. C. K. Gailey, No. Va. Chapter, ASV

This little white box is not big enough to express how wonderful it has been to have Uncle John in my life. I always enjoyed his history lessons, sense of humor, dancing to "Shout", Thanksgiving Dinner and his "Syllabub" punch, collecting all the bows at Christmas, cheering for the Redskins, showing his latest archaeology finds, and he was inspirational in the way he faced his challenges. I loved how much he enjoyed life, being around Uncle John always made me happy. I am already missing him, our family has lost a very special man. Karen Christesen
