I am so sorry to hear that your Dad passed. I have so many great memory's of him. He was very well loved and had a wonderful life filled with more joy from his children and wife of 43 years than most people ever experience. No matter what happened when you girls were growing up, he was always so calm and soft spoken. It always amazed me! I've found myself thinking of Georges calmness many times now as I've raised my own children, wondering how he did it! He had the patience of a Saint, truly! I am especially sorry that I didn't know and was not able to say goodbye to a wonderful man that held a special place in my heart. My prayers are with all of you.
