Whenever I needed someone she was always there for me. God has a truly wonderful angel whom even on earth would help anyone that she could. Now we know she's up above watching over us. My family will have the family in our prayers. With all our love.

Angels called your name so gently, that only you could hear. No one heard the footsteps, of angels drawing near. Softly from the shadows there came a gentle call, you closed your eyes and went to sleep, And quietly left us all... May our family have the strength & faith to get through this difficult time. Rest in Peace Katherine, you will forever be loved & missed.
