Chris was so gracious to open his house to Aaron and I for a couple weeks when we were between homes... Lots of evenings spent with the three of us all set up on computers in the living room -- ah the bonding of dorks =)

My favorite memory is our trip to Mass with Chris...the car ride up and the event that followed. As well as Mike and my wedding so many years ago. You will be greatly missed!

I have a lot of memories of Chris: our conversations, friendship, laughing moments, parties, worries, and his down to earth perspective. I was looking forward to seeing him in a few weeks. I, among many others, will miss him.
