My favorite memories are -his kindness - his wonderful smile -how he never said anything bad about anyone and found the good in everything. The 22 wonderful years he gave my Mother- the caring and love he shared with her - I know he will continue to take care of her from above as there was no truer love shared between two people and through her-we will carry your memory on forever. I love you and I will miss you so much. I am so proud to have shared my life with you.
