I only knew Bill for a short time, but right off the bat I knew we were gonna hit it off. We met through the Hanks family. I remember times when Sonny (Hanks) and I were fishing at Lake Anna and we came across Bill and Robin on their boat on a small island out in the lake, they offered food, drink, conversation and much more. Robin and the rest of the family, I send my condolences, it had been awhile since I saw Bill as I moved back home and had only heard of his illness a short time ago. Bill is at rest, at peace with the lord, and will never feel any kind of pain again. He'll be sitting on that park bench, just like the song "waitin on a woman" may the good lord bless and keep you Robin and all of Bill's family
