My grandma loved everyone so much and I miss her terribly even though it has been almost 5 years I still cry myself to sleep thinking about her and how kind and beautiful she was and I am sad my little sister will never now this angel, our grandma, who was given to us. Mimi (the nickname I had for her) if you can see this I just want you to know I still love you and I will always love you.

I am so saddened to hear of Cindy's passing last year. I had lost contact with her some time back. She was my supervisor at Capital One and made me and everyone else feel like we were the cream of the crop. She got us to go places where we never dreamed we could go. She always had an encouraging word, a hug during bad times, or a funny story to make us laugh. She was always humming or singing a tune and was always so darn happy!! I am so blessed to have known her and thank God that I had that opportunity.

Cindy was a music lover, and a loyal friend and performer with the Voices of the POPS and the Rappahannock POPS Orchestra. Cindy sang at every performance that the VOPS sang, and attended every performance that the Orchestra gave over the past 11 years. Her dedication, her lively spirit, and her musical contributions will never be forgotten. On behalf of the entire Board of Directors of the RPO, we extend our deepest sympathies to Cindy's family. She will be greatly missed.

Cindy was a sweetheart who was always more concerned with how you were doing than how she was doing. Her smile was contagious. She was a precious woman and I look forward to spending eternity with her in the presence of our Savior, Jesus Christ.

Cindy was such an amazing person to work with. She was always smiling and happy and enthusiastic. Back in the "old" days at Capital One in Fredericksburg, Cindy was always so kind and patient with me and I will never forget her. When I heard the news I was saddened because I knew right away that she would be missed by the many people she touched throughout her life. Cindy welcomed me into her home and I know that her contagious smile will be welcomed into heaven.

Cindy was funny, compassionate, always willing to take on a new opportunity and so very driven. She would leave others behind in her zest and appreciation for life. Once she had an objective in mind – she would achieve it. She loved music, travel, friends, family and her precious Lily. I will miss her greatly and regret the fact that I did not spend enough time in her company. I am a better person for having known her and take comfort in the fact that she made such an impression on the lives of so many people and that she will be long remembered. There truly is one more angel in heaven and one more star in the sky...RIP Cindy.

Cindy will be remembered as a woman that was extremely generous and a huge loving heart. I worked with her at Capone. You could ALWAYS count on her for her help and support, she gave everyone the benefit of the doubt. I will miss our dinners and long talks. I was honored to be her friend. When I remember her I think of beautiful music, that was what she really loved and she loved to share it with others. I will remember her with great admiration and fondness. She will be missed.
