To the Family of Catherine Jett,I am very sorry for your loss. Please know that she is in a better place now where she will know no suffering. I am glad that I got to see her before she passed. She was a blessing to me. I enjoyed the times I went down and sat with her on her nice screened in porch and just talked with her. I will also remember the summer her and I worked together. She was a wonderful monitor. I will also remember the fun times at the Eagles and you wanting to take Gene for yourself! He thought the world of you as well. Godspeed Catherine and I will miss you and never forget the friendship we shared!Love,Wendy
