My Aunt Sally was a wonderful person and always had a smile on her face. I always looked forward to coming to my Aunt Edith's house when i was a child and seeing Aunt Sally in the kitchen cooking a big meal. My Dad loved her fried chicken and I will never forget the bread & butter pickles she use to give us they were the best! I know she is in a better place and taking care of all the little children in heaven, just like she did here. Aunt Sally may you rest in peace, you will be greatly missed. Love your niece, Kathy Walker Carter

I am the woman I am today because of the example Sally was to me. She loved life, always showed love and compassion and humor in eveything she did. She will live in my heart. She always envoked the Lord to give her strength and courage. She was a great role model to me. Love you Mustang Sally, your niece, Teresa Kay "feice"
