My husband and I knew Pat and Richard thru our mutual love of bowling. Pat was always there accompanying Richard, every week she sat patiently watching as we all bowled. She was such a sweet and kind and happy person. I loved talking to her and I always commented her on her exquisite outfits. What a fantastic dresser she was. She also always shared the mint jelly she made with us. We are so sorry for the loss of this wonderful wife, mother, grandmother and friend. She was a person that could be described with the same word, just like her outfits, in every way she was exquisite.
