Have you ever met a person and truly felt their love for God overflowing? An individual that just glowed full of God's spirit and love? I did. I never knew his name until recently, when I heard of his passing. His name was Dan White. I only spoke with him twice in his family owned consignment store. He was one of the most God spirit filled individuals that I have ever met. He has moved on to his heavenly home. I know he will be greatly missed by all that knew him and all the ones he greeted and spoke with even if it was only once or twice. His love for God truly shined through in him. May we all try harder to be like Dan White. Terry, I am so deeply sorry for you and your family's loss. You all are in our thoughts and prayers. God Bless you all! Sarah Myers and family

We will always remember how often Dan would open worship service at church, with a question. Asking us, "how do we know Jesus is here with us?". And we all knew to answer, pointing inward to our hearts, saying "because we brought Him with us". Thank you Dan for your ministry!! Thank you Lord for loving him so much! Please help Terri and the children as they look to You, missing Dan. In Jesus' Name, Amen.

Dan had such a heart for worship. He always told me to come over anytime with my saxophone and we would all play and sing and worship, one night I did call, it was a rather rough day for me and I was at whits end, I just told God "I don't know what to do next.....", very clearly I heard God speak to me..."Call Dan..", I did and even though it was in the evening in the middle of the week we all worshiped God there in his home, Terri playing the keyboard and singing. I left there so uplifted, carried by Gods love that flowed freely through Terri and Dan to my heart. The second event that I treasure was when my "moms" heart was breaking when my son Toby was off to Iraq with the marines. Our church had prayer for him and his safety, but Dan came over to me and asked me how I was doing, I wept, he and Terri wrapped their arms around me and just let me cry it out, then prayed for peace. God placed a calm in my heart right then. My prayers are with you Terri, and your children. I love you. Shirley Williamson

I have so many memories of Dan. Most of all is that no matter what, he always had a positive Godly out look on all that he did. He was always an encouragement, and inspiration. He will be missed greatly. Heaven is blessed to have an Angel named Dan White.

Dan White gave his life to the Lord and proudly served as a faithful witness to God's good glory. My prayer is for God to provide his family that is left behind the strength to endure his absence and for them to experience the love and relationship with God that Dan did.

His heart smiling

Dan, what an amazing man of God. He could instantly cheer you up just with his smile that so clearly showed the love of God. He was undeniably full of joy. Katelyn so clearly remembers when she was about 10, she had warts on her knees and had them for years. Dan prayed over Katelyn and her warts and in faith they believed she would be healed and she was healed. Dan was never afraid to lend a hand, pray with you, or simply just listen. We were blessed to have know Dan and look forward to seeing his joyful smile in Heaven.

Often, Dan opened the song / worship service waking us up, asking "How do you know Jesus is here with us?" And we all knew to answer by saying, "Because I brought Him with me", as we pointed inward to our hearts. My heart hurts for Terri and all of the children that will miss him so. For Dan, our Lord says, "to be absent from the body, is to be present with the Lord". We look forward to joining you, by and by.
