I am trying to get in contact with Georgie Mclain.....I have tried every way imaginable to locate her. I believe Juanita was my grandmother, and that Georgie is my mother. I am sorry she passed away, and I was hoping to meet my biological family on that side. I have a twin brother, and I am hoping that she may want to talk with me. My biological father is Bill Jarrell, and I'm not sure if Georgie and him were married. This is really hard for me to discuss, so i guess I'll keep it short. If anyone has any information,etc. PLEASE contact me. E-mail jackfrostforever@yahoo.com my name is Jack.....

**Ann Webb** sent a virtual gift in honor of Juanita.

My heartfelt condolence goes to Juanita's children, especially to Georgie and Pete, who spent numberless hours caring for her during her years of illness. Thankfully, our Heavenly Father is the Rewarder of those who do good for others as He sees when no one else does. In time, God will heal and fill the emptiness in your heart, realizing that no one can replace your Mother. With greatest sympathy, Ann Webb
