Mike and I bowled with Ralph on Sunday nights for many years. He always had a smile on his face and a good sense of humor even through dealing with his cancer. Ralph is certainly in a better place. We will always remember you!

Although we didn't know Ralph outside of the bowling alley, we bowled together for many years. He was truly a fun guy to share Tues nights with, and his courage through his battle was amazing. We never heard him complain and always had a welcoming smile to share with everyone else. May your memories of Ralph sustain you through this difficult time of a life taken much too early! He will be missed.
