Daddy it seems like yesterday i was holding your hand in the hospital, But it seems like forever since i heard your voice telling me you loved me. It has been 8 months and it is still so hard, I know you are gone but i feel i need to talk to you i feel i have noone anymore in life. You and mom left me so fast and i still feel i need you and i don't think you were ready to go. I know you hated being alone and i know what you mean i may not be alone but i feel so alone. Daddy i miss you and mommy so much i just wish i could hear yalls voices again and just tell you i love you and i am so sorry you both suffered in your ailments on a daily basis. I love you daddy and i hope to see you again some day.
