I will always remember my Grandfather as a patient and loving man. When I was little he always shared his sandwich with me and would encourage me to use my imagination. My favorite memory is playing with him after he got off from a hard day of work. I liked the movie Cinderella, and would put my grandfather's slippers on his feet like the prince did in the movie. I would play dress up and pretend he was my prince and I was a princess. His name was Cinderfella and he was my prince charming. As I got older he never stopped taking the time to indulge my dreams. He always encouraged me to follow my heart. He is an inspiration to me and I am so thankful God made me is granddaughter. Sunday dinners will not be the same without him and he will be greatly missed. I love you Grandpa and I will always remember the good times we shared. Thanks for sharing your sandwiches and playing Cinderfella with me.~ Love Emily
