Charles was always happy and he wanted others to be happy. We appreciate his insights into Scripture as we studied together in Sunday School. In church, he was known as the "Amen" corner. Charles had a servant's heart. He was always ready to serve others without any expectation of anything in return. Charles modeled the Apostle Paul who said to be content to be in the state we are in. Charles was always content. That is the legacy that will live on for the rest of us to achieve. Thank you for sharing your life with us, Charles.

I will always remember Charles as a special friend and as a brother. I wish I could know him more through the years. I do look forward seeing him into God's Kingdom someday soon. He was a wonderful person who loves the Lord and people.

I want to express my deepest gratitude to you and your family for the joy, fellowship and support you so faithfully gave my brother Charles. Even though I have never had the pleasure to meet you all yet, I will use Chuck's great phrase and say, "I luv u" and all of the Dunkirk Baptist Church members who truly made Chuck feel like family

As you sat and listened to the Pastor preach, you would hear this spunky old voice say "AMEN" several times throughout the sermon. As you looked over to the happy-go-lucky white haired man sitting in the second row, you would see him with his note pad in one hand and pencil in the other, passionately taking notes as he processed every word he heard. He walked into church each Sunday with a full grin smile saying hello to many and hugs for others. Each week without fail, he would tell me, "I LOVE YOU" with an assurance and a nod. He was a kind soul with a big heart. Charles Furr you will be greatly missed and NEVER forgotten. You showed us what it means to love like Jesus. I also think of "Raise up a child in the way he should go, so when he is old he will not depart from it"... He never departed, as His Light shined Bright through You always Charles! What a glorious day this is, as there is not doubt you are Rejoicing in Heaven, and to that I say "AMEN". ~Love, Dawn Louizes

You will always be remembered for your love and sweet kindness; so many fond memories of you when I was a little girl, as you were my chaperon many times and it will never be forgotten. I am happy Merissa got to know and I will never forget the time we were in the nursing home together, I working and Merissa and my mom visiting your mom; you and Merissa pushing the wheelchair through the halls and you letting Merissa pretend she was a nurse; this will forever be a cherished memory. Your legacy of kindness will live on forever. My condolences to the family.

I have so many great memories going to visit the Furr family with my parents and my siblings. We all adored Chuck and his entire family. As an Adult Chuck always made my day brighter by smiling and giving me such nice compliments. Lewis and I will be keeping the family in our thoughts and prayers at this very difficult time.
