Jane was a very special person to me and we share too many laughs to recall from the time she lived with me. I will always remember her smile and sense of humor. We had nick names for each other; She was "Tubby" and I was "Skinny Minnie". My heart goes out to her family because I know she will be missed by many. RIP, Baby Jane.

During times of loss we find ourselves troubled by things we do not understand. There are no answers to comfort your grief, only lasting love and oh so many sweet precious memories. Steve and I are thinking of you Cindy, Connie, and your families during this sad time. We are so deeply sorry for your loss.
