My Grandma was a woman full of love, laughter, spunk and lots of sass. Her smile and laughter was a contagious and wonderful attribute that made her who she was. I have many fond memories of her but my favorite ones were when she would come to Richmond and stay with me and my sisters when my mom would be sick in the hospital and my dad would be at work then I would have her all to myself. My grandma taught me so many things and I'm so grateful to have had her in my life. Grandma you will be missed but you will be forever loved in my heart. Nicole King
