I always remember Roberta as being caring, helpful, and thoughtful! It was always, "all about love" with her! She sure knew how to make everyone feel loved. She lived life to the fullest, had lots of fun doing it and loved much along the way! She will be missed by all who knew her. My deepest sympathy goes out to the family. The loss was great for everyone ~ know that her legacy lives on in each of you and the lives she touched in one way or another!!! We all have the hope of one day being reunited! love you all!
