Aunt June, You will be missed more that you can know. Like I told you before you were more like my grandmom than my aunt . Now I cannot call you every week. So I will say number 23 for you every night. Tell grandmom that I love and miss her. And I will see you both again one day!Love you always and forever and a day! Donna

What a blessing to have got to know Mrs. Brooks through the Health Care Center. She was a worker for the center and for the Lord. We won one of the quilts she and the ladies at the center made and raffled off; we will always cherish this. Our love and prayers go out to the family.

I love you Granny and will miss you so much each passing day. The kids will have you wrapped around them warm each night as they snuggle up in their beautiful quilts that you made for them.....A bushel and a peck and a hug around the neck.
