Its hard to believe. I was going through some old photos today when I stumbled upon a book of pictures from yours and mike's wedding from when I was 5... It is hard to believe that was 10 years ago. Just 10 years can change a lot, can't it?Our family has changed a lot recently. Mitch died just a few years back, then my grandfather, followed by my mother and now you. I know I will miss all of you. I hope you are all together. I love y'all.~Diana S.
