Hi my name is Danielle Howell. Ruffus is my biological father and i never got the chance to say goodbye. I never got to know the him but when i found out some months ago that he was about to pass i wanted to stop and tell him i had forgiven him for never trying to contact me for the whole time after him and my mother had split up. I guess i didn't have the heart to do so. I met him once, well i wouldn't even consider it a meeting. He was shopping in the grocery store that i worked in and had told one of my coworkers to tell me he was my father and hadn't seem me in 14 years then ran out the store. i was about 17 at the time. So Ruffus this moment is as good as any i guess. You have always held a special place in my heart being that your my father and brought me into this world and you will be missed. I love you and always have.

Deepest sympathy to the Howell Family. I'm not sure if this is the Ruffus Howell I knew years ago but if it is the entire family is in my prayers and sorry to learn of your loss. If one of Ruffus' brothters was Richard Howell then I am so sorry Richard. You may remember me as I am Lois' cousin, Sandi and I used to babysit for you when you lived in Manassas Park. I do so apologize if this is not the Ruffus I knew and for bothering you during your time of grief; however , if it is the same family then I'm glad I am able to let you know and I will be praying for all of you, Ruffus was always good to me and so kind. God Bless and keep you in His care, Sandi Cornwell Hooker
