It is with a heavy heart that I learned of the passing of Jim. I had the great pleasure of working with Jim during his employment with the National Park Service. I got to meet his children and several of them worked for me in my office. Jim was a kind, caring man and he will greatly be missed by many. He always had a kind word for everyone and went out of his way to help anyone in need. RIP Jim you will be missed! Love you my dear friend! To his family you are all in my thoughts in prayers.
