Linda Bird lit a candle in honor of Della.

Mom, We shared a lot of memories throughout the years, but now know in my heart that you are, where you have been wanting to be for so many years. You gave me the strength each and every day to keep my head up even when times were bad. You were not only my mom but my best friend and I'll always treasure the time we spent together. I'll miss your smile each morning, when I came to take care of you. I know one day we will see each other again, but until then you will be kept very close to my heart, I know you are resting at peace in heaven with daddy. With All My Love To You Both, Your Daughter

Jennifer Dove lit a candle in honor of Della.

Grandma, just a note to say, I know that you have everything a whole lot easier now after going home, but you will be in our hearts and lives forever. The things you taught me growing up, is stuff I'll carry with me throughout life, nobody but you and granddaddy could have done what you accomplished with this one, I love you both with all my heart and know now you are up there rocking in the rocking chairs with him after 18 long years apart. Now we have another angel. With Love Always, The Dove's
