Mom, you have no idea how much you are loved and missed, you will never be forgotten. Each day that drags on is a reminder how much you impacted our lives, and I will forever be truly grateful that you are my mother. God could not have chosen a better one for me. Although your time on earth is done, I know you have created a beautiful life in heaven. I will be waiting for the day I am reunited with you. Until then I will send my love from here xoxox Amanda

No One Can Know? No one can know just what you've lost; No one can understand the cost; But when you feel your energy drain, Please count on us to help ease your pain. Let us help you cope with grief; We hope with time you'll feel relief. We can't replace the one who's gone, But let our concern help you carry on.? I love you Amanda. I'll be praying for you and your father. ♥
