"Grandpa" as my son, Maxwell called you, even though we only got to meet you once and break bread with you it was my husband's, my father's and my pleasure. I know you will be sorely missed. I pray that you are now in the arms of Jesus. Healed and rejoicing! Love, The Waugh family

Hey Dad. Thank you for everything. You were the most influential person in my life. No matter what I was confronted with you were always there for me and I knew I could always count on you. You sacrificed so much for your kids sometimes you forgot about yourself. I'll never know a greater man than you and I'm lucky to be your son. I wouldn't be the person I am today if it were not for you. I will never forget all that you taught me because i know those were the good things in life. You will be missed everyday. I love you and miss you.

Uncle Jim, I know we have not spoken for a long time. That does not mean that you were never in my mind. I remember the bowling alleys and spending many a weekend at your house, along with those times my dad would bring me to a house you guys were building. It's unfortunate that people don't realize what they had until it's gone. You not being here any longer is like a piece of me is missing. You will forever be in my heart and mind. May GOD rest your soul. I LOVE and miss you. Tony.

Hi Dad! Even though this past year has been really rough for you, the closeness we shared was the best! We had a lot of fun together building our projects in the garage, especially the bridge! I'm sure you have found Uncle Joe and Uncle Vic, and Grandma and Grandpa and are taking some long walks together. I will always be grateful for all that you taught me and all that you did for me, Ron, Jim and Tammy. I love you Dad! And I will always miss you! Keep walking Dad, just keep walking!
