# **Chairity Anne Makely**

APR 20, 1973 - OCT 26, 2014

**C**hairity Anne Makely , age 41, of Culpeper , VA departed this life peacefully after a courageous battle with Triple Negative Breast Cancer at the Piedmont Hospice House in Charlottesville, VA with her beloved husband Abraham by her side. Chairity was a stay at home mom who adored her children, Lauren age 20, Mitchell age 18, and Kennedy , age 15. She thoroughly enjoyed baking and playing an active role in her children's lives. In short, she was a lover of life in the truest sense of the word.

In addition to her husband and children, Chairity is survived by her mother Mary Paynter, her father Theodore Follin, and one brother Davis Follin.

A memorial service will be conducted at a later date in her home. Per her wishes, it will not be traditional, rather a party to celebrate her life, with family and friends. Chairity's ashes will be divided among her children and scattered in Hawaii which she fell in love with after only one visit with her mother.

In lieu of flowers Chairity requested donations be made to the Triple Negative Breast Cancer Foundation at [tnbcfoundation.org](http://tnbcfoundation.org) or TNBC Foundation P.O. Box 204 Norwood, NJ 07648.

Found and Sons of Culpeper is serving the family.

I had the pleasure of meeting Chairity through my daughter Tyesha Lyburn in girl scouts. A beautiful person with a smile that could light up a room. To the family, you will always be in my thought

I met Chairity when we first moved here and my children went to AG Richardson. She was a beautiful woman with a smile that I can never forget. You will be missed by so many people. Rest in peace.

I was shocked and so saddened to see Chairity had passed. I worked with this beautiful lady years ago in a bank in Bealeton. I think she was still in high school. She was one of the sweetest and nicest people I have ever known. She ALWAYS, ALWAYS had a beautiful smile. My deepest sympathy to her family. You are in my prayers. Judy Meadows.

Charity and my sister, Christine, were close friends as children and I treated Charity as a younger sister. She always had a smile and her laughter could fill a room. She was sweet, kind, and had a generous heart. She will be missed. My thoughts and prayers to her family during this very difficult time. I just made a donation to the Triple Negative Breast Cancer foundation in her memory (just in case they don't notify you). With love, Ameerah Hodges-Kreh

I only knew Chairity through interaction with her beautiful daughter Kennedy and Kennedy's incredible friendship with my daughter Skylar of the same age, but it was so obvious that she was an amazing mother and deeply devoted to her family. My daughter tells stories of meals that Chairity would make for the girls when they would sleep over. What a great family they are! Always warm, welcoming, and full of laughs when my daughter spent time with them. My thoughts and prayers are with you all during this very difficult time. If there is anything at all you need you can call on me.

My thoughts and prayers are with the Makely family. I love all of you guys. I had the pleasure of knowing the entire family from girl scouts and graduating with Lauren. I will miss you and will remember the very last time I saw your beautiful face and even though you were dealing with your illness I could never tell because you always had a beautiful smile. I love you always. To the entire family stay strong!! R.I.P Angel

My heart goes out to Chairity's family. She was my best friend throughout middle and high school. I grew up in the Follin household those many years ago. I was there when she found and fell in love with Abe and served as her maid of honor at their beautiful wedding. We helped each other through many bad times in our young lives and caused a little bit of trouble now and again too! We lost touch through the years and I often wondered how she was. I am so sorry to hear of her passing. My thoughts and prayers go out to the family. Ronda Johnson Smith

My sincere sympathies to the family of Chairity Makely. I had the honor of teaching her daughter, Lauren, in my journalism class at Eastern View HS. Lauren is a beautiful young woman with a big heart, a talent for the written word, and a loving nature. I believe these qualities were the result of growing up with an amazing woman. Her legacy will be the incredible contributions her children will make to society.

Please accept my condolences on the lose of Chairity. I first met her as an A.G. Richardson parent when my daughter and Mitch started kindergarten together. Through the years we saw each other at school events and then as field hockey mothers were able to enjoy time together at games and team functions. I admired her complete devotion to her family and obvious enjoyment in her family life. I know that her passing has left a void in your family and lives and you are all in my thoughts. Becky Stockes
