Patty you meant the world to me. Others may disagree, but that's all right. You were in my prayers every day. I remember calling you sissy because I could not say Patty. The video of you was beautiful. It brought back memories of the 1960's. We were all together and everyone was healthy and happy. There is not a day that goes by that I do not think of you. You are with the Lord now. Rest in peace. I told the Lord many times I would give my life for you. Now you are with him. Say hello to Mom for me. Enjoy God's kingdom. You have earned it.
