In the short period of time I knew Joe I was always amazed at his kindness and insight. I watched his joy with his grand kids, when he gave me golf pointers and saw the heartfelt pride he had when Sonnie graduated in those last days. I believe that through his life he was revered as a thoughtful person who always did his best to make those around him happy. I feel fortunate to have met Joe and to have been able to call him dad. Joe will be missed. William Oren

My father will be missed greatly by my family and myself. He was a very good man, and I feel great sorrow at this time because he is now not in my life. Every so often I think I need to call him but quickly remember he is gone. I feel his presence still. I know though he is in a better place and I will remember him and pass on his wonderful memory to my children that will unfortunately only get to hear about their grandfather. I love you dad. - Sonnie Deane Oren

Joe was a good man and will be missed by all who knew him. Joe had a great personality and always made you feel welcome in his home. I spent many hours at his house visiting with him and my sister Sharon. Joe loved to garden and gave away more vegetables than he kept driving into town to deliver to family and friends. Joe has now been welcomed by his heavenly family and friends. His memories will be a constant reminder of what a great man he was. Tony Carmichael Brother in law
