Shirley was one of the most loving women that I ever had the privilege of meeting. She was a large part of my life for over 25 years and never once did I hear her say anything negative about anyone. She would give you the shirt off her back if you needed it. She could make the best corn bread ever eaten. I know she is in heaven with family who passed before her and she can breathe like an angel which makes it easier for me to accept her passing. My prayers are sent to each of her love ones.
