I love and miss you bunches Grandma. Not only my Grandma, but a Mom to me as well. I'm so glad you got to spend time with your Great- grandbaby, Skylar. You thought the world of her, just as she did you. I'm happy knowing that you are up there with Papa again. ❤️ - April

Grandma~I will miss all the lovely long talks we had, the laughter we shared, and all the other good memories. You played a big part in my life, not only as my Grandmother, but as a Mother figure as well. I'm also happy that you had 5 years to spend with your Great- grandbaby, Skylar. You thought the world of her, just as she did you. I'm hoping that you are happy, as you are up there with Papa now. I love you with all my heart Grandma. Love, April
