To David and Michelle from Barb's graduating class of 1964-Burnsville High School (wv). We are deeply grateful that we were able to spend time with Barbara in May 2014 at our annual alumni celebration along with the celebration of our 50 th year since graduating in 1964 !! What a short time it has been. We are all very thankful and happy that once again we were all able to bask in the sunshine of Barbara's wonderful smile and sincere laughter. We will forever hold her in our hearts and minds and remember all of the pleasant days that she shared with us. I personally will never forget the "mammy" of a lazy, shiftless "Trailing Arbutus" from our Junior Class Play. Barb was hilarious !! We pray that the spirit of God will comfort you during your time of sorrow. Sincerely, Tom Blake and the graduating class of 1964.

We were very sorry to hear of Barbara's passing. She was my kids school bus driver in the late 70's and 80's. I will always remember her bright and friendly smile whether she was on the bus or I ran into her at a craft fair. Bob worked at the bus shop, and he said she used to bring pizza in for the guys. She touched many people in her life and will be missed. Bob and Kathy Burgess (Van Horn Lane)

Barbara and I were bus drivers together. we shared many lunches together with the GANG . We laughed \, joked and solved everyones problems. She and I had an evening run out of AGWright. Although there were only classes 4 days a week, we were required to be there 5 days. On the 5th day we brought our dogs and walked them and talked for that hour. i will miss her laugh and our times together. She will be missed. MARY ANN PHILIPP bus 242.
