Mrs. Peggy was a sweetheart...I looked forward to her appointment every other Wednesday when she came to get her hair done...I'm so sorry to hear about her passing & will miss seeing her & talking with her! She always left me with a smile from her witty comments.

We loved Miss Peggy! We saw her often when we walked our dogs. We talked to her last week. When I asked her how old she was now, she said 99 and "I don't want to make it to 100 Cuz enough is enough already!" I will miss our chats and her big smile. That little lady could move faster than any 99 year old I've ever seen! She is my hero on how to live feisty until you are called home! We already missed Fred and now the house seems very empty without Miss Peggy, too! May God bless and be with your family as you walk through this time of loss. Bye, Miss Peggy!

My parents became friends with Fred and Peggy while Paul and Pat lived across the street from us in Aquia Harbour. My parents already lived in Spotsylvania when Paul started building the house for his parents in Salem Farm Estates and became closer as they grew older. Kate and Amy used to come across the street when Joan and I were working in the yard. They were afraid of the basement door because I told them there were alligators down there. Peggy kept in touch throughout the years, especially at Christmas. Our thought go out to Kate and Amy and their mother Pat, Nancy and her family.
