Frederick James Carrico

SEP 12, 1984 - FEB 14, 2015

In loving memory of Frederick James Carrico, “Jimmy”, “Jim”, “Jimbo”, of Stafford County passed away on Saturday, February 14, 2015 at the age of 30.

He is survived by his mother, Kathleena Carrico; brother, Franklin Jay Carrico, II; sister, Johannah Gabrielle Carrico; his partner, Sherri French and her two girls, Ari and Billie; and numerous other family and friends.

Jim was a very gifted and talented musician, artist, and electrician. He was a loving, kind, humble, generous, peaceful, fun, and hardworking young man. He started playing the guitar in elementary school and he learned from a teacher who was trained at a top music school. Jim also stood out in sports both Baseball and Football. He won numerous awards and was chosen to play as an All-Star for several years. He moved around with his family. And as he grew, he played every instrument he could get his hands on to make the music exciting, fun, and professional. In his youth he also narrated and acted in plays. His artistic drawings were skillful and lifelike and were appreciated by his teachers, family, and friends. Jim had an I.Q. of 185 in middle school and excelled in Math. When it came time to go to college, he chose trade school and finished his apprenticeship and worked as an electrician. Jim was so much more, he helped everyone he could. He gave more than he received in his life.

Oh my god. I just now found out. I just out of chance remembered Jimmy's last name (Carrico) from seeing a calico cat on TV a couple days ago. I remembered the name was similar. I could not find him on facebook, then tried searching online with Fredrick because I remember him saying his real first name is Freddy. Then I find him on here....Damn it. I feel so bad for losing touch. I always though we would become close again. That was the pattern...Everyone loved Jimmy like no one else I ever meet.I love you Jimmy Andrew Tauch

I remember Jimmy at the family reunion and he was such a very sweet young man and just smiling. You could tell he so enjoyed being around everyone. We have such a large family but just knowing he was there and getting to know him and his sister, Im glad to hear he was very happy and seeing his love for music was such an inspiration. Watching the video Of him playing the banjo, showed not just talent but a true gift. He will be missed by so many and to see the out pouring love of his friends, you know and can tell he was so good hearted. Jimmy- may you rest in peace and know that you lived, learned and inspired with your smile and your way of life. Your great Auntie Michelle.. the late night of talking and laughing I will never forget. You will stay in our hearts always.

I didn't get to see my nephew the last 10 years but I do remember the last time I got to see him. He came to our family reunion in Orange. He was going to stay a little bit and ended up staying all night. I couldn't get enough of him. I could feel the love from him and wish we could have made more memories. Love you nephew and you will be missed so much. Aunt Seenie (Selina)
