Nancy, I will always remember you, Judge Reams and family during my years at the Court. You were always such a special lady and friend to everyone. I know you never met a stranger. You and your family had such wonderful vacations which Judge Reams shared with us. You are now in a better place and with the love of your life. Rest in peace! Love Cindy Sisson

Some of my fondest childhood memories were of spending my summer vacations with Aunt Nancy, Uncle Bill, Dinnie, Laura and Waco in the Outer Banks. These memories will always stay with me and I will cherish them forever. My condolences to Dinnie, Laura and Waco and their families for the loss of a loving Mother and Grandmother. Aunt Nancy was one of the most inspirational people to touch my life and I feel fortunate to have had her as a friend and family member. Lee Walker

And Aunt Nancy was always my favorite Aunt. Thoughts and prayers are with you. We can both rest assured that she and your Dad have found their "eternal campground".

Thanks Cousin Lee for the sweet comment. She loved you and your whole family so much. I'm not supposed to tell but Uncle Tiny was always her favorite brother.

My heartfelt sympathy to all the family! To me Aunt Nancy was a great and dear person, and I will never forget the kind cheerfulness with which she invited me over for almost daily cups of coffee when I was in Culpeper as an exchange student back in 1977! She was one of the persons who made my year the most memorable one of my life! May she be happily reunited with her wonderful beloved husband Bill. Your Mom will always have a great place in my heart and memory! Juerg from Switzerland

I remember in August 2013 when I returned to northern Virginia for summer vacation for a week. I particularly remember being with Grandad and her, and we had such an amazing time. I'm glad I can call her family, and I'm so grateful to have known her for the time I have. May she rest in whatever peace there may be beyond..

Nancy was a very special friend to my parents at the Baptist Retirement Community. I also consider her my own friend. When my mother was quite ill, Nancy would let me take a break, sitting with her quietly. She was an enormous support to me during that difficult time. I still visit at the CBRC, will miss Nancy very much. What a very special lady.

My deepest sympathy goes to Nancy's family. I came to know Nancy almost two years ago when I moved to CBRC. We quickly developed a very meaningful friendship. We enjoyed shopping, for almost anything, playing cards and sharing life stories, both sad and happy. I will miss her so much. Blessings to you, Phyllis Turner
