Victoria, Savannah and Luran,I am floored by this and my heart goes to you girls. I loved teaching you and your Mom was always willing to help at the school. I didn't learn of her passing until today. Forgive me for not coming to the services as it is too late for me to come, nevertheless my thoughts are with you.

I was very shocked to hear of Imma Mae's passing. I remember Imma Mae from St. Lukes when our children went to school there together. She was always very kind and such a wonderful mother. Victoria, Lauren, and Savannah, you are in my thoughts and prayers. Please know that you meant the world to your mother.

Oh sweet Imma Mae, I was so saddened when I heard the news, I have always cherished the great childhood memories and always will, I haven't spoken to you in years, but would think of you often. Rest in peace sweet friend. Many prayers for your girls and family, to find understanding and to find comfort. I will keep your memory close to my heart as I am sure they will. Our favorite sign off on letters was AC/DC Rocks forever! Even as we grew older! You will always be my BFF, I love you!!

I had not seen you in a long time, dear Imma, and reading this is such sad news. I will always cherish the memories I have of when we first met many years ago. We had so much in common, and you were like a 'little sister' to me. I send my thoughts and prayers to your daughters and family that they hold tightly to the good memories they have and are comforted by them.

Rest in peace sweet Imma and may God hold your daughters close during this sad time. I have many fond memories of our times together in years past. A favorite is when you would read "A Special Place for Santa" at the Christmas parties I would have for our kids and other friends' kid. And your laugh...you always staring snorting when you laughed too hard. Keeping your family in my prayers.
