Miss Sheila was our favorite bus driver for our granddaughter Kayla. They had a special connection that last over the years when we would see her at Walmart or the fair. Last year at the fair we cried and shared together her diagnosis. I have prayed so many times over the last year and were just talking about if we would see Miss Sheila again at the fair next month. Her beautiful smile and personality will be truly missed. But she will be shining from up above to all of us. She changed our lives forever for who she was. Our prayers and love go to the whole family.....From The Cosner Family of Dumfries

Even though we only knew you for a brief period of time, your light shown bright - even when you were at your lowest - and you brightened mine and Dad's day EVERYDAY. I fell in love with your honesty and ability to continue the good fight although you would tell me every day - "I don't want to be here", you were there and that gave hope and strength to those who saw you and, I'm sure, those who love you. Dad and I will never forget you or your husband. You are in my heart forever. Our deepest sympathies to your family and friends. May your light shine through them and comfort them in their time of grief. Heavenly hugs, Sheila. You are already greatly missed....Daphne Ahalt and Frank Beachy
