Shiphra, my wife, and I are very sorry to recently learn of Luellyn's passing. Having only briefly meet Luellyn through a mutual friend, my wife and I were struck with her thoughtless generosity and spirit. We were talking at a holiday party and quickly realized a series of events and twists of fate in that our paths had crossed several times without knowing. Both having been in Athens Georgia at the same time while I attended the Navy Supply Corps School after commissioning, before serving as Assistant Supply Officer aboard the USS Thomas S. Gates CG-51 where I additionally served as Food Service Officer in charge of the Wardroom. We talked about the ship and her association and the sadness I was feeling seeing the Gates in Philadelphia being dismantled for scrap metal. She said wait one minute and left. Coming back shortly with a box of wardroom china from the USS Thomas S. Gates and gave them to me. We wanted to let her friends and family know that we not only appreciate this gift, but will remember her generosity and spirit and her random act of kindness. We are truly sorry for your loss. Lue was a dear friend of mine and my husband. I just received a gift from her a few weeks ago, her pendant that read "Navy Wife", she said I earned it. I'm still in disbelief that she is gone. I have so many wonderful memories of Lue. She had many wonderful talents. We love you Lue. Sending our prayers to her parents.

Luellyn's family has been the single most impactful friendship of my life. She was a preschooler when we were neighbors and they introduced me to my future husband. I can still remember her laughter and charm, playing games together. snuggling with books. She developed into an adventurous and talented adult. I wish I had been able to be a part of her adult years. But, I can still see the love and light of that young child in all of her artwork. And I know she was and always will be greatly loved. May God hold you close in His arms and comfort you, just as Luellyn is being held safely in His arms now.

Sadly missed along life's way, quietly remembered every day...No longer in our life to share, but in our hearts, you're always there. Those we love don't go away, They walk beside us every day, Unseen, unheard, but always near, Still loved, still missed and very dear. The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God. Our hearts go out to you and your family at this difficult time.
