I have such fond memories of Charlie. I rode the elementary school bus, with him in the 50's. He was always friendly and kind to everyone. One of my fondest memories was on the play ground, at Centreville Elementary school. I was too short to reach the ground to swing so Charlie offered to give me a push. A small thing but I always remembered it! Such a kind caring kid and adult. Consequently many years late, while I was a teacher at Manassas Park High school, his daughter Kyra was in my Cosmetology class. What a great experience that was! I will miss him greatly!

I could not ask for a better step-father and grandfather for my daughter. Chuck was one to do anything for anybody, no questions asked. He will be missed.
