Aunt Mildred was such a very special lady. Always smiling and I always loved her chuckle. She was a blessing to all who had the privilege and opportunity to know her. Can't wait till our Lord returns to see her and my dad and other family members once again for an en trinity . She will be missed but is now at rest till our Lord and Savior returns. Praying for my Uncle Tommy and all the family for God's Big Arms of Comfort to surround you all. - Paula Douglas-Neighbors

My heart goes out to my dear Aunt Mildred's family. All who knew her should not be sad at this time but rather be happy and thankful for being allowed to enjoy the times that were spent with her and the beautiful memories of Mildred, her smile, her stories, and her constant happiness. My Aunt Mildred was chosen by her parents to carry out the family name 'roquemore' and then my parents chose me to carry out the family name of 'roquemore' also. For this I will always hold dear to my heart my Aunt and I had this one thing in common. I love you Aunt Mildred and will be forever grateful for having you in my life. Gary Roquemore Douglas
