Dear, dear Aunt Isabel. We can hear your laughter in the breeze, feel your warmth and love in our hearts, and see your beauty in every flower. We will miss you, but we know we will see that smile again. The last time we saw you, you were dancing the night away at Beth's wedding, and that is how we picture you now..dancing and laughing in heaven with the heavy ills and pains of cancer now gone. We love you...dance on...
