To Bill's Family, Him and Marie were more than just our neighbors in the trailer park for many years they were like our family. They thought of our daughter Jessica as their own, they made living in the trailer park more like a home, as being the loving neighbors that they were. When we moved to our new home in Partlow, Bill came and spent the day with us, and told us how he missed us and we told him how we missed them, I Bridget will miss his trips he made to my job at The Flower Shop too visit me. To Bonnie and her husband, Thank You for letting me come to your home to visit with Bill, I enjoy them moments with him and to be able to visit with him in the nursing home. We are so sorry for your loss of Bill and Marie, We will greatly miss them with our deepest love and sympathy. Kenny and Bridget Dunivan, Jessica Hines and family.
