A very gracious lady. Had the pleasure of meeting her when I was assigned Culpeper 2003 VSP. I shared precious time with her and many cups of morning coffee. ..she could make the best. We enjoyed watching Wheel of Fortune and she always commented on Vannah's outfit. She told me how she really enjoyed sitting on her steps just inside the glass storm door and feeling the warmth of the sun. Oh, and don't mess with her basketball games....lol. May God give the family strength during the time. I know she will be missed but in a far better place with her dear husband.
